

We are also pleased to be able to offer our wrap around care. Both of these clubs are run in school by school staff. Entry and collection are both from our Ewart Street entrance. Please go to the top of the street, through the black gate and ring the doorbell.

## Breakfast Club

We have a Breakfast Club which is available anytime between 8 o'clock to 8.45am daily (last admission 8.40am). There is no need to book places and parents can simply drop off and pay any day between the above times. The children can enjoy a healthy breakfast and play with their friends before school starts. A selection of cereals and toast are available at a cost of £1.50 per child per day or £7.50 per week.

For the future.....
