

School Milk Scheme

Our school provides a school milk scheme through Cool Milk and is available to all of our pupils and we would like to invite you to register your child. School milk is free for all under-fives and is then subsidised for pupils aged five and over making it around £15.00 per full term (approximately 12 weeks) or 25p per day.

A portion of fresh, chilled milk at mid-morning break provides protein, calcium and other vital nutrients, important for your child's growth and development. It's also a great way to bridge the gap between breakfast and lunch, re-hydrating your child and helping them to concentrate in class.

My child is under five

- All children under five will automatically receive free milk in school
- Free milk will continue until the Friday before your child's fifth birthday.

For children over the age of 5

- Complete a registration form online at www.coolmilk.com. Shortly after registering you will receive a payment request.
- You can pay Cool Milk either online, over the phone, at a local pay point or by cheque in half termly, termly or annual instalments.
- Please pay by Tuesday 5pm for your child's milk to start the following week.
- If you are in receipt of certain benefits, your child may be entitled to Pupil Premium Grant (not the universal infant school meals) and will automatically receive free milk in school. If you think you may qualify for this but have not yet applied, please visit www.gov.uk/apply-free-school-meals to apply.

Please be aware that the milk scheme is run by Cool Milk and not the school so unfortunately we will not be able to accept payment or deal with any payment issues in school. If you do have any questions regarding school milk please visit www.coolmilk.com or contact Cool Milk directly on 0844 854 2913.

Thank you.
