

Dear Parents and Carers

Making maths meaningful

We are delighted to be supporting the NSPCC by taking part in Number Day which is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We are having a fun day of maths activities
and we will be taking part in

'Dress up for Digits' on Friday 7th February 2025

Children are asked to wear an item of clothing with a number on it
(football shirt, cap, netball shirt or even a onesie!)
or get creative by dressing in a maths or numbers theme.
You can even wear something with spots or stars on and everyone can
count them.

*To help raise money for the NSPCC, we are asking for donations,
and we'd love everyone in the school to take part in this special event
Please hand any donations to Mrs Wilson on the school gate.
Thank you.*

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

**On average, a child contacts Childline every 45 seconds
Everything the NSPCC does protects children today and prevents
children tomorrow.**

If you're a bit stuck on what to wear, here are some ideas:

- Mathematical equipment: things like calculators, dice, dominos, clocks, playing cards
- Characters from books work well and can be doubled up for World Book Day as a cost-effective idea: Thing 1 and Thing 2 from The Cat in the Hat, Tock or The Mathemagician from The Phantom Tollbooth for example.
- Characters from TV or films: The Numberjacks, The Numberblocks, Thomas the Tank Engine & friends with their numbers on.
- No-fuss ideas include wearing a football strip with a number, or simply drawing numbers or calculations on a white t-shirt!

It all adds up

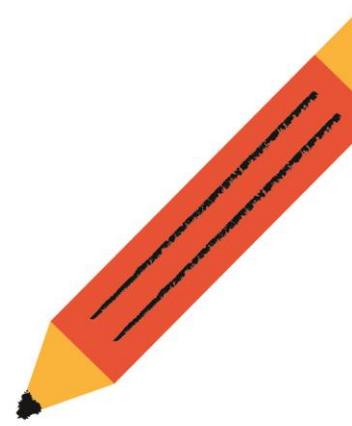

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise by Bracebridge Infant and Nursery school will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Mrs L Wilson
Headteacher
