

COULD YOU BE OUR NEW PARENT TRUSTEE?

Would you like to

- Help your children, our school and your community?*
- Know more about how our school is run?*
- Get involved in making our school the best it can be for your children?*

If so, we are looking for a parent or carer to join our friendly group of trustees.

Our trustees develop a vision and strategy for the school, hold the headteacher to account for children's performance, help to make sure that the school's money is well spent and speak to pupils, staff and parents to understand their views.

We need a balance and diversity of knowledge, skills and experience and you do not need to have any specific qualifications or be an expert in education to become a trustee.

You would need to attend evening meetings (usually one per term), visit the school occasionally, do some background reading and take part in training and development.

In return, you will have an opportunity to gain useful skills and experience and to make a valuable contribution to our school community.

If you would like to find out more about joining us, please ask Mrs Wilson for more information. Thank you.
