

## Trip to The Palace Theatre, Newark Friday 19<sup>th</sup> December 2025

We are delighted to be able to take the children to The Palace Theatre in Newark this year for the morning performance of their fabulous pantomime. We will travel by private coach, with seatbelts, provided by Black Cat Travel and will be dropped off and collected from outside the theatre.

The cost of tickets and coach travel is subsidised by monies raised at our summer fayre. Thank you all for your fantastic and worthwhile support of this event.

**The full cost of the trip should be £19.65 per child but, thanks to the money raised at last year's Summer Fayre, we are asking for a contribution towards the cost from parents of £10 per child**

As all school staff will be attending with the children we will not require any parent helpers for this trip.

Please sign and return the consent form below along with your contribution by **Monday 8<sup>th</sup> December**. We know that it will be a great experience for all our children however, if this causes any financial worries at all for your family then please do pop into school and talk to us.

Thank you.
