

Numeracy

We will know how to:

- count forwards and backwards within 20.
- partition teen numbers using '10 and a bit' .
- find double of a number.
- use a number line to add and subtract within 20.

Phonics/English

We will follow the Read Write Inc program to support phonics lessons and writing.

Value

Our Value this term
is Honesty 😊

Music

We will know how:

- express our thoughts and feelings about a piece of music.
- move our bodies to the pulse and beat of a piece of music.

Computing

We will know how to:

- identify what each floor robot command does and use that knowledge to start predicting the outcome of programs.
- program a floor robot.

Spring 3

Year 1

Our Wonderful World!

Geography

We will know how to:

- name and locate the different parts of the United Kingdom and its surrounding seas.
- identify seasonal and daily weather patterns in the United Kingdom.

RE

We will know:

- people that follow Islam are called Muslims.
- the Islamic God is called Allah.

Science

We will know:

- why it is important to look after our planet and what we can do personally to care for it.

PE

**Our PE days are Mondays
and Wednesdays**

We will know how to:

- perform actions as part of a sequence.
- take off and land safely, while using shape in our jumps.
- create different levels in our performance.

PSHE (Jigsaw)

We will know how to:

- set an achievable goal and recognise how it feels when I do well.
- celebrate my own and other people's achievements.
- explain how I feel when I face obstacles and how I feel when I overcome them.

Art

We will know how to:

- use different materials to add texture to our artwork.
- use our colour mixing techniques to fit a purpose

**If you would like any more information,
please come in for a chat.**

Thank you,

Mrs Taylor-Benton 😊
