

### Numeracy

We will know how to:

- count in 2s, 5s and 10s.
- make arrays to help solve multiplication problems.
- recognise and find  $\frac{1}{2}$  and  $\frac{1}{4}$  of a shape.

### Computing

We will know how to:

- identify keys on the keyboard which will help me with digital writing.
- use different tools to improve my writing.
- compare digital writing to physical writing.

### RE

We will know:

- different religions and some of their key beliefs.
- places of worship which differ from Christianity.

### Science

We will know:

- how to identify and label different parts of a plant.
- different types of plants and trees in our local area.

### DT

We will know:

- how to design a healthy fruit salad and identify the equipment needed to create it.
- the basic principles of a balanced diet and why it is important.

### Value

Our Value this term is  
Respect 😊

**Summer 5**

**Year 1**

**Green Fingers!**

### PE

**Our PE days are Tuesdays and Wednesdays (LCFC)**

We will know how to:

- use my arms, legs, and body to run, jump and throw with greater control
- look when anticipating the movement of a rolling ball, understanding the direction and speed it will take.

### Phonics/English

We will follow the Read Write Inc program to support phonics lessons and writing.

### Music

We will know how to:

- express our thoughts and feelings about a piece of music.
- move our bodies to the pulse and beat of a piece of music
- use our imagination to create a piece of music

### Geography

We will know:

- how to identify and recognise different human and physical features of the UK.
- how to use field work skill to study the school and its surrounding area.

### PSHE (Jigsaw)

We will know how to:

- identify the different people in my family and understand there are lots of different types of families.
- recognise the importance of friendship and think of ways we can resolve problems.

**If you would like any more information,  
please come in for a chat.**

**Thank you,  
Miss Humphreys 😊**
