

## Science

We will know:

- that animals, including humans, have offspring which grow into adults.
- how to ask simple questions and recognise that they can be answered in different ways.
- use their observations and ideas to suggest answers to questions.

## Value

Our Value this term is  
Responsibility 😊

## Literacy

We will know how to:

- use conjunctions to expand sentences.
- use main and subordinate clauses and descriptive language in our writing.
- write a non-chronological report.
- write our own memories of school using past and present tense.

## Computing

We will know how to:

- implement algorithms as programs on digital devices; and follow precise and unambiguous instructions .
- create and debug simple programs.

Summer 6 Year 2

**Land Ahoy!**

## Maths

We will know how to:

- interpret and construct simple pictograms, tally charts, block diagrams and simple tables.
- use mathematical vocabulary to describe position and direction.

## RE

We will know:

- different religious celebrations that focus on giving thanks.

## Music

We will know:

- learn familiar songs for a performance-adding actions and instruments.

## PE

**Our PE days are Mondays and Wednesdays**

We will know how to:

- send, Receive and Return.
- target, Control and Combine movement and equipment
- participate in different sporting events

## History

We will know how to:

- use sources of evidence to find out what the seaside was like over 100 years ago.

## PSHE (Jigsaw)

We will know:

- about how and when change happens and how we can deal with these changes.
- about changes in our body.

## Design and Technology

We will know how to:

- cut out a net of a shape carefully.
- score carefully using scissors.
- assemble the net of a house shape using tabs.
- design & decorate my own beach hut.

**If you would like any more information,  
please come in for a chat.**

**Thank you,  
Mrs Lees and Mrs O Halloran 😊**
